★ *Please be praying for a great spiritual renewal for the women of Central Florida. I invite you to come to this wonderful day of refreshment for your soul. I encourage you to invite your friends and make an announcement in your church regarding the retreat. Come expecting God to do far more abundantly beyond all that we ask or think. You won't want to miss this great day!*

★ **Dynamic, Humorous, Encouraging,
Inspiring, Heartlifting**

A gifted public speaker and former radio show co-host, **Carol Kent** has been a guest on Focus on the Family and a featured speaker at Time Out for Women, Heritage Keepers and Women of Faith. She has also spoken at The Praise Gathering for Believers. Carol has spoken internationally in Germany, Korea, Guatemala, Mexico and Canada. There is nothing Carol enjoys more than helping people find answers to today's problems in the Word of God and equipping them to tell their own stories with confidence and clarity.

★ We welcome **Vicki Pate** back to the retreat this year. She comes to us from Germantown, WI. Vicki holds a degree in voice and music education and her musical talent has been used in her local church to bring honor and glory to Jesus. To Vicki, nothing can compare to the experience of feeling God's presence during the sacrifice of praise. Her prayer for you is that you will live in joy and peace and that you will trust the Lord to provide for you in every way.

For more than two decades the music ministry of the Rick Webb Trio has blessed and encouraged the hearts of believers all across America and into different parts of the world. Their versatile music style has afforded them opportunities to

share with such respected ministers and Christian leaders as Dr. Chuck Coleson, Dr. Charles Stanley, Dr. David Jeremiah, and Dr. D. James Kennedy. The Webbs have appeared in the Bill Gaither "Homecoming" video series.
